## 4th IWH/INFER Workshop on Applied Economics and Economic Policy: A New Fiscal Capacity for the EU?

The Halle Institute for Economic Research (IWH – Institut für Wirtschaftsforschung Halle) and the International Network for Economic Research (INFER) are organizing a joint Workshop on Applied Economics and Economic Policy on March 17<sup>th</sup> and 18<sup>th</sup>, 2014 to be held in Halle (Saale).

The workshop provides a platform to discuss applied economic research. We invite empirical and theoretical contributions from all fields of macroeconomics and international economics with an emphasis on a high relevance for economic policy.

The special topic of the workshop will be **A New Fiscal Capacity for the EU**. Contributions on risk spillover, current challenges for sustainable fiscal policy and evaluations of pan-European transfers are especially highly welcomed.

### Keynote speakers:

- Lars Feld, Walter-Eucken-Institute Freiburg and German Council of Economic Experts
- Helge Berger, International Monetary Fund and FU Berlin

Further information will be provided on the website
