**Call for Papers:**

**15<sup>th</sup> IWH-CIREQ Macroeconometric  
Workshop: Identification and Causality  
in Macroeconometrics and Finance**

The Halle Institute for Economic Research and the Centre Inter-universitaire de Recherche en Economie Quantitative (CIREQ) are organizing the 15<sup>th</sup> Macroeconometric Workshop to be held in Halle (Saale) on December 1-2, 2014.

The workshop provides a platform to discuss new developments in the field of empirical and applied macroeconomic modelling and aims at bringing together academic researchers and practitioners. We invite applied and theoretical papers dealing with panel data, time series and business cycles, international macroeconometrics and finance. Papers that explicitly cover aspects of identification and causality are particularly welcome.

Each conference day is opened by a keynote speaker, followed by contributed papers.

**Keynote Lectures:**

- [Sophocles Mavroeidis](#) (University of Oxford)
- [Abderrahim Taamouti](#) (Durham University Business School)

A conference fee will not be charged. Further information will be provided on the website
